

## Asian Arts of Balance Chinese Medicine Clinic

We would like to share our office and services with our community during this time of need. Many are very stressed and need help to cope with our recent local tragedy at Marjory Stoneman Douglas High School.

Please feel welcome to come by to take part in our **free** community acupuncture. We will serve de-stressing herbal tea (emotional ease) and offer acupuncture services to all in need. Wishing you peace and health, hope to see you Sunday!
